PROCEDURES RELATING TO THE TITLE III B, III D, AND III E PROGRAMS

1. Obtain a schedule of units provided during the three month period ending February 28, 2007.

We obtained the Agency Summary Report from CAAA for the reporting period of December 1, 2006 through February 28, 2007.

2. Determine how the council verifies the number of units provided.

The council maintains service logs to monitor the units of service provided among the various programs. The information from the individual logs are summarized monthly and entered into the SAMS program. As noted in Table A on page 3, we compared the number of units provided per the Agency Summary Report to the council's logs and noted differences for several of the council's programs.

3. Obtain unit cost information and agree to contract with Cajun AAA and the SAMS report.

We obtained unit cost information from the council's contract with CAAA and compared the amount per the contract to the SAMS report and to the amount reimbursed. The results of our procedures are noted as follows:

<u>Program/Service</u>	<u>Unit Cost per SAMS</u>	<u>Unit Cost per Contract</u>	<u>Amount Reimbursed</u>
Title III B			
Homemaker	\$ 6.52	\$ 6.52	\$ 6.52
Information & Assistance	18.55	18.55	18.55
Outreach	14.41	14.41	14.41
Telephoning	0.86	0.86	0.86
Transportation	1.87	1.90	1.90
Title III D			
Wellness	1.60	1.65	1.65
Medication Management	11.03	11.03	11.03
Title III E			
In-Home Respite	13.74	13.74	13.74
Outreach	14.39	14.39	14.39
Information & Assistance	18.53	18.53	18.53
Personal Care	14.57	14.57	14.57

Based on our procedures, we did not notice any differences between the unit cost per contract with CAAA and the amount reimbursed from CAAA. However, IIB Transportation and IIID Wellness had minor differences between the unit cost per SAMS report and the unit cost per the contract.

4. Select a sample of sixty (60) consumers from the population of consumers receiving services during the three month period ended February 28, 2007.

We obtained a summary of consumers receiving services during the period ended February 28, 2007 from the SAMS Delivery Consumer Listing provided by CAAA and systematically selected a sample of sixty services received by consumers.

5. Utilizing the sample selected above, (1) verify that an assessment has been performed within the past twelve month period preceding the three month period being evaluated and (2) trace the number of service units provided per the SAMS report transmitted to CAAA to the individual monthly rosters and daily service logs.

Based on the procedures performed, we noted the following:

Assessments:

- Three consumer files could not be located, thus we were not able to verify that an assessment was performed initially or within the past twelve month period.
- Five consumers were not re-assessed within the previous twelve month period as of February 28, 2007.

Units of Service:

The chart below summarizes the results of our procedures performed:

Program	Type of Service	Number of Consumers		Units of Service per Sample	
		Population	Sample	CAAA	Support
III B	Homemaker	174	14	58	58
III B	Information & Assistance	374	13	13	13
III B	Transportation	117	7	67	67
III B	Telephoning	34	2	39	39
III B	Outreach	65	6	6	6
III D	Medication Management	31	2	2	2
III D	Wellness	99	6	39	44
III E	Outreach	56	3	3	3
III E	Information & Assistance	109	4	4	3
III E	In-Home Respite	9	3	66	66
III E	Personal Care	5	0	0	0
Totals		1,073	60	297	301

We noted a difference in the IIID Wellness program and the IIIE I & A program between the units of service reported to CAAA and the daily logs maintained by the Council.

We were not engaged to and did not conduct an audit, the objective of which would be the expression of an opinion on the reporting of service units provided. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the board members and management of Cajun Area Agency on Aging, Inc. and Vermilion Council on Aging, Inc. This report is not intended to be and should not be used by anyone other than those specified parties.
